One (1) CLE Credit will be offered!

RSVP TO: CLE@myerswoln.com (seating is limited)

RSVP Deadline: October 10, 17 and 24, 2017

We are pleased to make available to the public the following CLE Courses delivered by Dr. Christoph Bartels, a German and European Patent and Trademark Attorney in the Hamburg Office of RGTH Patent Attorneys (www.rgth.de). Christoph is participating in a cooperative training program between the firms of Myers Wolin and RGTH.

Christoph has extensive experience in patent preparation and prosecution as well as opposition and appeal proceedings at the German Patent and Trademark Office and the European Patent Office. He represents leading companies from the automotive sector and railway industries in opposition, nullity and infringement proceedings. Christoph has earned a Ph.D. in physics and has worked as a scientist for large scale physics experiments, where he was involved in the construction and operation of detector components, simulation and data analysis. He represents clients from the fields of shipbuilding, mechanical engineering, process and measurement engineering, materials processing, building materials, renewable energies, software and telecommunication.
